

Creation Is Finished: A Neville Goddard Workbook & Mini Guide

Brought to you by The Universe Unveiled

Introduction: The Power of a Finished Creation

In Neville Goddard's words: "Creation is finished. All that you could ever desire is already yours." This workbook will help you understand and apply this truth so you can manifest your desires with confidence and clarity.

Section 1: What Neville Meant by Creation Is Finished

- Creation is not linear. Every possible state, outcome, or desire exists right now in the eternal present.
- You are not creating from nothing. You are selecting a finished reality through assumption.
- Your imagination is the gateway to the state where your wish is fulfilled.

Key quote:

"Creation is finished. Creativeness is only a deeper receptiveness." - Neville Goddard

Section 2: Define Your Desired End

Journal prompts:

1. What is one desire I want to manifest right now?
2. How would I feel if this were already true?
3. Who would I be if this were my reality today?

"I am so happy and grateful now that _____."
